

The gastronomy dictionary defines *alfredo* as a rich Italian sauce made of cream, parmesan cheese and butter. The sauce naturally complements all types of pasta. Alfredo was created in the 1920s by Italian **Alfredo** di Lelio, who also named the sauce after himself.

Named after this tempting Italian dish, **Alfredo** began as a beautiful kosher restaurant nestled in the heart of a picturesque park in Petah Tikva, quickly became renowned.

Alfredo offers a perfect escape from the everyday routine. In the morning and afternoon, guests can enjoy fantastic lunches in special deals while during the rest of the day, the restaurant provides a culinary experience that emphasizes favorite Italian flavors, serving pasta, focaccia, lasagna, salads, fish dishes, etc.

The restaurant is Glatt kosher
